## How To Use This Index

The entries in this index refer to the index number of each clipping. The index number appears in the upper right hand corner of each clipping box. The following table indicates the months and their corresponding index numbers.

July	0001-0698	October	2260-2840
August	0699-1426	November	2841-3373
September	1427-2259	December	3374-3961

This index is divided into four parts: 1) Country, 2) International Organization, 3) Personal Name, and 4) Byline.

Country Index: Under each country heading there are a series of subheads in alphabetical order. The following subheads are standard throughout the index:

- Ambassadors
- Armed Forces: branches of the country's military and police.
- Books About
- Calamities: natural disasters such as earthquakes, floods, famine, drought.
- Cartoons About
- Concessions and Mines: mines within the country for which concessions or service contracts have been granted -- whether or not they are in operation.
- Conferences and Conventions
- Consuls (or Consulates)
- Corporations: all corporations and banks (domestic public and private, and foreign private) operating in the country.
- Domestic Unrest: indicators of domestic unrest, including extra-parliamentary organized political opposition such as guerrilla actions (kidnappings, robberies), demonstrations, riots and exile invasions, and the government response to such unrest -- states of siege, political prisoners, torture, massacres.
- Economy: economic indicators such as per capita income, unemployment, balance of payments, GNP, prices and wages and salaries. Also listed are other topics which help describe the economy, such as black market operations, development plans and the national budget.
- Editorials About
- Educational and Cultural Institutions: the educational and cultural institutions (domestic and foreign, public and private) operating within the country.
- Embassies
- Ethnic and Racial Groups
- Foreign Investment
- Foreign Relations With: all formal and informal relations between governments of two countries (including non-recognition), visits by heads of state and government officials, trade missions, delegations and the like.
- Foundations: those foundations (domestic and foreign) operating in the country.
- Geographic Locations: geographic locations within the country, such as cities, ports, provinces, territories, archeological ruins, borders, bodies of water, etc.
- Government Agencies: domestic government agencies, including presidency, ministries and congress (excluding state-owned corporations and banks, which are listed under "Corporations").
- Industries, Services and Commodities: the various types of industries and services operating in the country, such as airlines, automobile manufacturing, telecommunications; also listed are the agricultural and mineral commodities produced within the country.
- International Lending and Trade Organizations: international, government-sponsored aid and trade organizations operating in the country, such as the IBRD (World Bank), the Latin American Free Trade Association (LAFTA) and the U.S. Export-Import Bank.

- Labor and Labor Organizations: labor unions and labor federations (domestic and international) operating within the country. Also listed are activities of these organizations, such as strikes.
- Laws and Decrees
- Loans, Credits & Bonds
- Maps
- Mass Media: newspapers and magazines distributed within the country, radio and television stations broadcasting in the country, and wire services operating in the country.
- Nationalizations
- Political and Civil Rights: indicators of political and civil rights such as press freedom, political asylum, amnesty, parliamentary immunity, and denial or violation of such rights.
- Political Parties and Movements: political parties, organizations and movements (domestic and international) operating in the country.
- Political Status: administrative status or movements involving that status (e.g., commonwealth, statehood, independence).
- Prisons
- Professional and Business Organizations: trade and professional organizations (domestic and international) operating in the country.
- Religions and Religious Organizations: religions and religious organizations (domestic and international) operating within the country.
- Roads, Highways and Bridges
- Social Conditions: indicators of social welfare conditions in the country such as, health, housing, pollution, drug addiction, slums.
- Social Groups and Classes: (such as workers, peasants, landowners, students).
- Student Organizations: student organizations (domestic and international) operating within the country.
- Taxes and Tariffs
- Trade: listing of those nations with which the country trades. Also listed are references to exports and imports.
- Treaties: the treaties and agreements to which the country is a signatory or which affect the country.
- Water, Irrigation, and Dams

Note: Other non-profit organizations (such as Boy Scouts) not included above are listed alphabetically by name under the country.

In addition to the individual country headings there are also four regional headings which are listed alphabetically among the countries: Andean Bloc, Caribbean, Central America and Latin America.

International Organization Index: Under this index are listed by name private and public organizations operating in Latin America which are based outside Latin America or whose operations are not clearly associated with or limited to one Latin American country.

Personal Name Index: Under this index are listed by name persons (Latin American and foreign) about whom significant information is provided.

Byline Index: Under this index are listed by name the authors of articles contained in the clipping service.

Note: Although each ISLA item is assigned a number (e.g., 20, 375), some of the numbers in this index also bear a subscript (e.g., 20b, 375a). These subscripts, which appear only in the index, are used in indexing stories that are more than one page long. For example, in January 1973 item 86 is four pages long. A reference of 86 indicates the indexed item first appears on the first page of the story, 86a means that the indexed item first appears on the second page, etc.
